The condition of the cancellation is indicated first, then the condition of the cover or card.

For example, F/VG means a fine cancel on a very good cover or card.

Condition of the cancel (consists of the postmark and the stamp invalidator)

VF = Very Fine; all letters and cancel virtually perfect.

F = Fine; letters and cancel well imprinted, considerably better than average.

VG = Very Good; letters and cancel well imprinted but perhaps some lightness or other defect.

G = Good; some defect, such as some letters or portion of cancel light or not imprinted, or Right ends of lines or bars run off the edge of the card or cover.

P = Poor; merely an identifiable and complete example.

Condition of the cover or card

VF = Very Fine; attractive, no faults.

F = Fine; minor fault such as toning; not described.

VG = Very Good; several minor faults, but none judged to be major; usually described.

G = Good; one or two major faults; described
